- **Councilman Williams**-Apologized to residents for the compost not being picked up in a timely manner. He asked about turning off the water in vacant homes. Additionally he stated that the contractors that are cutting the grass are leaving piles of grass on the curb. He asked all residents to please support local businesses and shop Inkster.
- **Councilwoman Howard**-Asked if the reason the city was looking to contract with Wayne County Sheriffs Department is to save money. She also asked if the Inkster Police Officers can still keep their jobs because they have a repore with the residents.
- **Councilman Moner**-Stated the Veteran name of S.M.1 Howard J. Maner, USN. He said he is proud that Veteran's served this country so that we all can be free. He also mentioned Veteran Willie Johnson. He said he is trying to encourage a new resident to move to Inkster but the person said the taxes are high. He said a study should be done to see if the city taxes are high.
- **Mayor Pro-Tem Hendricks**-Stated that sometimes the city makes it hard on itself. He said the compost contract was not communicated well to City Council or Inkster residents. He said that even though compost pick up was to start back June ninth, the pick up was broken down into

city parts. This meaning that one part of the city got picked up June ninth and another part of the city was the following week. This meant that some residents had to wait longer for compost pick up.

- **Councilman Shaw**-Stated he had issues with the grass cutting contractors and that he had those same issues in the past. He thanked DPS and Bud Avery, Kim Sledge, and City Manager Marsh on getting the water turned on for a citizen. He asked the City Attorney Jones, to explain the YWCA information that he gave him. He additionally asked the City Manager when hosting business forums to mention to business owners the possibility of consolidation with one another for business ventures. Further he asked how lines would be handled with upcoming tax payments in July, about Police Department overtime and the Fair Labor Board and the Planning department being outsourced in July.

Additionally he plans to go forward with hosting a local business at the city council meetings. Additionally he stated that Mayor Hampton and him have started back with recognizing citizens who maintain their yards. Citizens who maintain their yard will be issued an award that will be mailed to them. He encouraged all residents to maintain and upkeep their properties.
- **Mayor Hampton**-Stated that there are a lot of concerns related to council issues and that maybe a week day study session is in order. He asked the City Manager if the Comcast contract had been signed. He additionally asked if an RFP had gone out for the Planning and Building Department services with McKenna. He stated that the budget said that seventy percent of the money collected would go to McKenna. He further inquired about the Greenway Project. He stated that he wanted that project to continue. He asked why a DNR grant for three hundred thousand was not applied for on April first. Lastly he asked about updating of the fee schedule and commented on the iconic building on Inkster Road that has been demolished. He said that building was the oldest structure in the city and he would have hoped it could have been preserved.

The Honorable Hilliard Hampton, II
City of Inkster

Inkster, MI 48141

Dear Mayor Hampton,

In fiscal year 2014, The Senior Alliance, Area Agency on Aging 1-C begins its thirty-fourth year of service to the older adults of southern and western Wayne County. As part of our mandate under the Older Americans Act, we are requesting a local community match contribution from each municipality in our Planning and Service Area.

Older adults in your community are eligible for, and many have received, agency-funded services such as: Care Management, Personal Care, Homemaking, Respite care, Legal Assistance, Home Delivered Meals, Congregate Meals, Adult Day Care, Health Screening, Information and Referral, Medicare Assistance and Services, under the MI Choice Waiver. Enclosed for your information is Inkster's final TSA Community Match Report for FY2013, which provides specific data on recipients of these services in your community.

In these challenging times, we understand that Inkster and other communities in Wayne County are making tough funding decisions. Our match request for FY 2013 is based on census data. Your match is a great investment as it helps us deliver needed services in our service area. On average, communities realize services from TSA at a rate that is 157 times their community match amount.

Please note the enclosed invoice in the amount of \$2,409.00, indicating Inkster's match. All contributions will be appreciated by April 1, 2014. Please contact Brenda Brotherton, Accounting Manager, if you have any questions, at 734.727.2018.

Let us know if you need additional information and many, many thanks for your continued support.

Sincerely,

Bob Brown

Section 3

Statement of Work/Budget, Payment Guidelines, and Due Diligence Requirements

3.01 Description of Work and Deadlines

The Work to be performed for the eligible CDBG activities under this Agreement is set forth in the attached Appendix A and shall also conform to any submittals (i.e. RFPs or applications) by Subrecipient to Recipient in the process of receiving the CDBG Funds. Any work undertaken by Subrecipient for such eligible activity shall be completed on or before eighteen (18) months from July 1 of the respective HUD Program Year unless otherwise extended through Recipient's approved modification process. Any extension is subject to the CDBG Appeals Board's approval and will comply with the CDBG Appeals Procedure established by Recipient. The Subrecipient agrees that this deadline may be unilaterally shortened by the Recipient in the Recipient's sole discretion, if a more expeditious schedule is required for the Recipient to comply with any HUD regulations, including, but not limited to, 24 CFR 570.902.

3.02 CDBG Activity Description

The description of each of the CDBG activity shall be in sufficient detail to provide a sound basis for the Recipient effectively to monitor performance under this Agreement. Such description will, at minimum, allow for a clear understanding of the need and benefit of the activity and the proposed eligible activity and National Objective. Recipient may ask for a written clarification of the work and CDBG activity at any time during this Agreement before making a payment under this Agreement. If such clarification does not reasonably indicate compliance with CDBG standards, Recipient will not be required to release any payment until a sufficient clarification is provided. The Subrecipient shall submit to the Recipient a budget covering the costs for the CDBG eligible activities.

3.03 Transfer or Reallocation

During the term of this Agreement, Subrecipient can transfer or reallocate the budget covering costs between different eligible activities that were originally set up in the application. However if an activity was not set up in the original application, then Subrecipient must follow the rules for public hearings to add such new activity. All transfers of eligible activities are limited to transfer within the CDBG Program only and with the consent from the County.

3.04 Payment Restrictions

It is expressly agreed and understood that the total amount to be paid by the Recipient under this Agreement shall not exceed the CDBG Funds amount **actually awarded and received by Recipient** for this Agreement as specifically noted in Section 1 (Definitions) of this Agreement. It is also expressly agreed and understood that all amounts allocated hereunder to the Subrecipient by the Recipient shall be on a reimbursement basis for monies already spent by the Subrecipient on approved eligible activities for projects meeting National Objectives. Subrecipient shall have no claim for detrimental reliance or otherwise for expenses it incurs for ineligible activities or project not meeting National Objectives as interpreted by HUD or for claims for funds that have not been actually awarded to Recipient. All requests for payment reimbursements shall be

submitted on a monthly basis with all the required documentations and certifications of the Subrecipient's financial management system in accordance with the standards specified in OMB Circular A-85. All incomplete payment requests will not be processed and will be returned to the Subrecipient to complete.

3.05 Payment Disputes

In the event that there is a disagreement over the eligibility of a payment by Recipient to Subrecipient of CDBG Funds under this Agreement, Recipient will not be required to make any such payment until a clear written ruling by HUD has been obtained. If the payment has already been made and the funds are still in the possession of Subrecipient or its agents, the funds will be returned to Recipient immediately until a written ruling by HUD has been obtained. Recipient may waive this requirement in writing or require another reasonable alternative such as escrow if it deems it in the best interest of the Recipient. In any event, Subrecipient must repay Recipient for any payment made by Recipient to Subrecipient subsequently disallowed by HUD. Such repayment will be with interest and administrative fees if HUD has demanded repayment and Recipient has already paid HUD.

3.06 Timely Execution of Agreement Required

The CDBG Funds are subject to strict timelines for eligible expenditure or they are subject to recapture. Accordingly, strict adherence to deadlines is required to avoid such recapture and penalties. Subrecipients must return properly authorized and executed copies of this Agreement with any accompanying resolutions required for proper authorization within 30 days of receipt of the Agreement. Recipient will have the right to re-assign the CDBG Funds allocated to Subrecipient if Recipient does not comply with the provisions of this sub-section and Subrecipient will have no claim against Recipient.

3.07 Due Diligence Requirements

Recipient may require Subrecipient to provide certain documents and documentation to ensure that the work is in compliance with CDBG Requirements and this Agreement.

Recipient must provide such documentation in a reasonable and timely manner. Recipient may condition any payment under this Agreement on the provision of such documentation. All such requests will be made in writing by the Recipient.

Section 4

Contractors

4.01 Using Contractors

Subrecipient may only use a contractor for work performed with CDBG Funds in compliance with all applicable laws, rules, and regulations governing contractors for CDBG projects. Any request for reimbursement for a non-conforming use of contractors will be denied and may also require recoupment by Subrecipient of any compensation of the contractor in violation of any laws, rules, or regulations.

4.02 Contractor Procurement

Contractors must be procured competitively according to Federal Office of Management and Budget (OMB) rules and **24 CFR 85.36**. If the Subrecipient is acquiring goods and services, such as professional consulting, environmental review or planning, totaling no more than **\$100,000** then small purchase procurement (24 CFR 85.36(d)(1) and 84.44(e)(2)) can be used which allows Subrecipient to obtain quotes from potential vendors with a detailed description of the goods or services needed without publishing a formal request for proposals or invitation for bids. This method cannot be used if the amount of contract exceeds \$100,000 in value. In general, the small purchases procedures also should not be used to acquire construction Contractors. It is recommended that these acquisitions occur under the sealed bid approach.

4.03 Agreements with Contractors

Subrecipients must enter into agreements with contractors.

In order to meet HUD and County CDBG Program requirements, agreements with contractors must address the following:

1. Scope of services to be provided, consistent with the County Agreement.

The Recipient shall have the right to examine and audit all books, records, documents and other supporting data of the Subrecipient, or any consultants or agents rendering services under this Agreement, whether directly or indirectly, which will permit adequate evaluation of the services, the cost, or pricing data submitted by the Subrecipient. The Subrecipient shall include a similar covenant allowing for Recipient audit in any contract it has with a consultant or agent whose services will be charged directly or indirectly to the Recipient. This right to audit shall include, but shall not be limited to, the Recipient's right to request, and to be supplied in a timely manner, copies of any and all such books, documents, records and other supporting data. The Recipient's Procedures for Reporting Program Income and Direct Benefit Activities are subject to change with reasonable notice to the Subrecipient. The use of Program Income by the Subrecipient shall comply with the requirements set forth at 24 CFR 570.504. Permission for an exception to this rule from Recipient will not be given unless the Subrecipient provides affected citizens with reasonable notice of any proposed change and the new use meets one of the objectives of the program earlier set forth. If such new use does not qualify under those objectives, the new use may be permitted, provided that the CDBG fund is reimbursed for the current fair market value of the property, less any portion of the value attributable to expenditure of non-CDBG Funds.

7.02 Security Requirement

In the event that the Subrecipient intends to perform an activity that involves real property, Wayne County may require a mortgage, note, or other instrument to secure the National Objective. In that event, this Agreement shall be modified to include the instrument and the procedures for discharge.

Instructions for Completing the Quarterly Program Income Report

Income received by your organization directly generated from the use of Community Development Block Grant (CDBG) Funds, such as revolving loans, lien repayments, and sales from disposition of CDBG property, must be reported to the Wayne County Community Development Division. At the end of each quarter (June, September, December, March), complete and submit this Program Income Form to Wayne County Community Development Division, 500 Griswold 10th floor, Detroit, Michigan, 48226.

Use the Program Income Report in Excel to electronically the amount of Program Income received during the quarter, and the amount received year to date (year beginning July). Also record the amount of Program Income that was spent on an eligible activity during the quarter being reviewed and year to date. The cumulative balance space should reflect the total amount of Program Income on hand at the end of the current reporting period (this would include any unspent Program Income received during the previous reporting period).

There is also a space provided on the form for you to record the source of the Program Income received in the quarter being reviewed. If the Funds are coming from more than one source, please identify how much is coming from each source.

A CDBG Request for Payment with all required supporting documentation for the expenses paid using Program Income must accompany the Program Income Report.

Any form not received by the tenth business day after the end of the quarter review may result in the suspension of payment on vouchers submitted to the County for reimbursement. Make certain the form is signed and dated on the bottom of the form.

Please remember to clear with our office any activity requiring the use of Program Income before Program Income is expended.

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the local government, as the Subrecipient of the jurisdiction, certifies that:

Affirmatively Further Fair Housing -- The Subrecipient understands that the jurisdiction will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard. The local government will fully cooperate with the jurisdiction in this regard.

Anti-Displacement and Relocation Plan -- The jurisdiction will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential anti-displacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs. The local jurisdiction will fully cooperate with the jurisdiction in this regard.

Drug Free Workplace -- The local government will or will continue to provide a drug-free workplace by:

Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- 6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 4(b), with respect to any employee who is so convicted -
 - (a) Take appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

No Federal appropriated Funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
- 2. If any Funds other than Federal appropriated Funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and

Certifying Officer Date

Specific CDBG Certifications

As a Subrecipient to the Entitlement Community, the local government certifies that:

Citizen Participation -- To the best of its knowledge, the entitlement community is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- To the best of its knowledge, the entitlement community's consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income (see CFR 24 Part 570.2 and CFR 24 Part 570).

Following a Plan -- To the best of its knowledge, the entitlement community is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

Use of Funds -- To the best of its knowledge, the entitlement community has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG Funds, and to its best knowledge, the local government certifies that the entitlement community has developed its Action Plan so as to give maximum feasible priority to activities that benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities, which the entitlement community certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available;
2. Overall Benefit. To the best of its knowledge, the aggregate use by the entitlement community of CDBG Funds including section 108 guaranteed loans during program year(s) 2010, 2011, 2013 (a period specified by the local government consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;
3. Special Assessments. To the best of its knowledge, the entitlement community will not attempt to recover any capital costs of public improvements assisted with CDBG Funds, including Section 108 loan guaranteed Funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG Funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG Funds) financed

from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG Funds.

To the best of the local government's knowledge, the jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG Funds, including Section 108, unless CDBG Funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG Funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG Funds if the jurisdiction certifies that it lacks CDBG Funds to cover the assessment.

Excessive Force – The local government, and to its best knowledge, the jurisdiction, has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to, or exit from, a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;

Compliance With Anti-Discrimination laws – To the best of its knowledge, the grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

Lead-Based Paint – To the best of its knowledge, the activities of the local government and jurisdiction concerning lead-based paint will comply with the requirements of part 35, subparts A, B, J, K and R, of title 24;

Compliance with Laws – The local government, and to the best of its knowledge, the jurisdiction, will comply with applicable laws.

B. Drug-Free Workplace Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification.

If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

9. Definitions of terms in the Non-Procurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

"Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C.812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

"Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

"Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

"Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).
