- (F) The Grantee acknowledges that it is a crime to knowingly and willingly file false information with Treasury for the purpose of obtaining this Agreement or any payment under the Agreement, and that any such filing may subject the Grantee, its agents, and/or employees to criminal prosecution, civil suit, and/or termination of the grant.

- (B) All local, state, and federal permits, if required, are the responsibility of the Grantee. Award of this grant is not a guarantee of permit approval by the State of Michigan or any other entity.
- (C) The Grantee shall be solely responsible to pay all taxes, if any, that arise from the Grantee's receipt of this grant or from any expenditure of grant funds.
- (D) The Grantee is responsible for the professional quality, technical accuracy, timely completion, and coordination of all designs, drawings, specifications, reports, and other services furnished by the Grantee or its contractor(s) under this Agreement. - (E) Treasury's approval of drawings, designs, specifications, reports, and incidental work or materials furnished hereunder shall not in any way relieve the Grantee of responsibility for the technical adequacy of the work. Treasury's review, approval, acceptance, or payment for any of the services shall not be construed as a waiver of any rights under this Agreement or of any cause of action arising out of the performance (or failure of performance) of this Agreement.
- (F) The Grantee acknowledges that it is a crime to knowingly and willingly file false information with Treasury for the purpose of obtaining this Agreement or any payment under the Agreement, and that any such filing may subject the Grantee, its agents, and/or employees to criminal prosecution, civil suit, and/or termination of the grant.
- (G) The Grantee must comply with all Conditions contained in its application for the grant, a copy of which is attached as Appendix B.

VIII. CONTRACTS

Treasury reserves the right to deny the use of any consultant, contractor, associate, or other personnel to perform any portion of the project. The Grantee is solely responsible for all contractual activities performed under this Agreement. The Grantee is required to maintain all pertinent records and evidence pertaining to the Grant Agreement, including grant funds, in accordance with generally accepted accounting principles and other procedures specified by Treasury. Treasury or any of its duly authorized representatives must have access, upon reasonable notice, to such books, records, documents, and other evidence for the purpose of inspection, audit, and copying. The Grantee will provide proper facilities for such access and inspection. All records must be maintained for a minimum of seven years after the Final Closeout letter has been issued to the Grantee by Treasury.

XVI. COMPENSATION

- (A) A breakdown of costs allowed under this Agreement is identified in Appendix A. Treasury will reimburse the Grantee a total amount not to exceed the amount on page 1 of this Agreement, in accordance with Appendix A, and only for expenditures incurred and paid.
