BACKGROUND INFORMATION

The City of Inkster has selected the below qualified vendors to participate in the 2026 Neighborhood Stabilization Program. The vendors will be contractually obligated to rehabilitate and then sell or rent out the properties. All parcels must comply with the building department requirements to obtain a Certificate of Occupancy within one year. At the time of this request, parcel assignments had not been completed.

Pursuant to MCL 211.78m(1), a city, village, township, or city authority may purchase foreclosed property located within its community for the minimum bid if the State of Michigan fails to exercise its right of first refusal and no claimant has filed a claim for foreclosure sales proceeds under Section 78(t) of the Act. However, if a claim for foreclosure sales proceeds has been filed under Section 78(t) of the Act, your community may purchase any of those foreclosed properties for the greater of the minimum bid or the fair market value of the property ("FMV").

The foreclosure properties' common address, parcel identification number, legal description, and the delinquent amount are attached as presented by the Wayne County Treasurer (note: additional FMV required parcels were added on 7/14/26). All vendors will be expected to pay the City of Inkster's administration fee of \$2,000 and all Summer 2026 property taxes before deed conveyance.

RE: Right of Refusal to Purchase Tax Foreclosed Property in Wayne County

Dear Mr. Abdullah:

Enclosed for your consideration is a list of the properties within your community that were foreclosed upon by the Wayne County Treasurer (the "List"), as the foreclosing governmental unit, pursuant to Mich. Public Act 123 of 1999, MCL 211.78 et. seq. as amended (the "Act"), due to unpaid 2021 and/or prior year's delinquent taxes.

Pursuant to MCL 211.78m(1), a city, village, township, or city authority may purchase foreclosed property located within its community for the minimum bid if the State of Michigan fails to exercise its right of first refusal and no claimant has filed a claim for remaining proceeds from the foreclosed property, if however, a claim for remaining auction proceeds from any foreclosed property has been filed under Section 78(t) of the Act, your community may purchase any of those foreclosed properties for the greater of the minimum bid or the fair market value of the property ("FMV")

Preliminary minimum bids have been established and include all delinquent taxes, fees, penalties, interest, any costs to date associated with preparing this property for auction and administering the sale; further costs and fees may be added before the auction. The FMV of the foreclosed properties will initially be calculated as the product of 2 times the assessed State Equalized Value (consistent with the definition of true cash value under MCL 211.27).

The enclosed List includes those preliminary minimum bid amounts and, where claims have been received and confirmed, the FMV. A final determination of the offer price will be contingent upon our final confirmation of the receipt of all claims in our office. Only those properties for which a claim has been received as noted on the List with an asterisk, will be

offered at the greater of the minimum bid or FMV. All remaining properties are offered at the minimum bid amount.

Your request to purchase foreclosed property within your community must be received no later than **July 19, 2024**. All requests must be in writing and identify each property to be purchased by its property identification number along with a copy of the resolution authorizing the purchase of such properties.

Your request must be mailed, via certified mail to the Wayne County Treasurer, Land Management Division, Attention: Tony Cavalli, 400 Monroe – Suite 520, Detroit, MI 48226, **or emailed to: acavalli@waynecounty.com**. Receipt of the request will be confirmed in writing or via e mail. Payments must be received by **July 26, 2024**. If timely payment is not received, the selected property will be offered for sale at a public auction.

If there are any foreclosed parcels on the List that are currently blighted or in need of demolition, please notify us via email at acavalli@waynecounty.com so that we can identify those properties on our auction website A major goal of the tax foreclosure process is to strengthen our community by eliminating blight and other dangerous structures and I believe that my office can best accomplish this goal through a partnership with the local units throughout the county.

If you are aware of any contiguous properties that should be bundled together in the upcoming auction, or any special circumstances that should be addressed with any properties, please let us know by August 1, 2024.

The Wayne County Treasurer reserves the right to remove any property from the List, and to cancel any sale, at any time, for any reason, prior to the issuance of a deed. In the event that the State exercises its right of first refusal to purchase a property selected by your community, or if the Treasurer either removes a selected property from the List or cancels the sale of a selected property, the payment received from your community for the subject property will be refunded.

You are advised to compare the parcel identification numbers on the List with your current tax rolls **to determine if any parcel has been combined, split, or assigned a new parcel identification number** subsequent to the information being received by our office for the tax years in question. In the event you are unable to reconcile a parcel identification number provided in the List with your current tax rolls, or if any of the parcels on the list are in a Neighborhood Enterprise Zone (NEZ) and both parcel numbers are not on the list or if you are aware of any parcels on the list that may be assessed across two communities, you must **immediately** advise the Wayne County Treasurer via email or in writing of the current or corrected identification number, the status of the property, and the name and address of persons shown on your current tax rolls as possessing an interest in the subject property.

If you have questions or need additional information, please contact Tony Cavalli at (313) 213-2547.

Sincerely,

RE: Right of Refusal to Purchase Tax Foreclosed Property in Wayne County

Dear Mr. Abdullah:

Per our Right of Refusal letter dated July 2, 2024, a final determination of the offer price will be contingent upon our final confirmation of the receipt of all claims in our office. Since the original Right of Refusal list was sent, our office received a claim that was postmarked by July 1, 2024, for parcel 44017040548000. Please update your list to include this parcel at the Fair Market Value purchase price, not the Minimum Bid.

If you have questions or need additional information, please contact Tony Cavalli at (313) 213-2547.
